

DAY	TIME	SECTION COVERED	TEACHING STAFF
Sunday (May 30, 2021)	8:00 - 8:35 AM	Dysphagia Treatment: philosophy (RTSS), methods, rationale: A.1. Structuring treatment based on mechanisms of action (disease → treatment methods)	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	8:35 - 9:15 AM	A.2. Structuring treatment based on mechanisms of action (disease → treatment methods)	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	9:15 - 10:00 AM	B.1. Compensations	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	10:00 - 10:20 AM	B.2. Compensations	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	10:20 - 10:40 AM	C.1. Restorative methods, texture modification, water protocols	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	10:40 - 11:20 AM	C.2. Restorative methods, texture modification, water protocols	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	11:20 - 12:00 AM	C.3. Restorative methods, texture modification, water protocols	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
		LUNCH BREAK	
	1:00 - 1:45 PM	D. Methods that have poor evidence to support them; surgical interventions	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	1:45 - 2:00 PM	Management following prolonged intubation Adult Dysphagia: A.1. Assessing readiness for swallowing restoration after respiratory failure resolves; clinical adaptations in the ICU; aging as a factor	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	2:00 - 2:40 PM	A.2. Assessing readiness for swallowing restoration after respiratory failure resolves; clinical adaptations in the ICU; aging as a factor	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	2:40 - 3:30 PM	A.3. Assessing readiness for swallowing restoration after respiratory failure resolves; clinical adaptations in the ICU; aging as a factor	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
3:30 - 4:15 PM	A.4. Assessing readiness for swallowing restoration after respiratory failure resolves; clinical adaptations in the ICU; aging as a factor	Dr. James L. Coyle, (ADYS 100) - Pre-recorded	
Monday (May 31, 2021)	10:30 - 11:15 AM	B.1. Noninvasive ventilation and swallowing	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	11:15 - 12:00 PM	B.2. Noninvasive ventilation and swallowing	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
		LUNCH BREAK	
	1:00 - 3:00 PM	GI Adult	Dr. Nawaf Al-Otaibi
	3:10 - 3:10 PM	Coffee Break	
	3:15 - 3:50 PM	ICU and post-respiratory failure: A.1. ICU considerations, ventilatory support including noninvasive ventilation and HFNC; understanding test results	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	3:50 - 4:45 PM	B. Chest imaging terms and understanding imaging reports	Dr. James L. Coyle, (ADYS 100) - Pre-recorded
	4:45 - 5:00 PM	Coffee Break	
	5:00 - 6:00 PM	Pediatric Dysphagia	Dr. Jennifer P. (PDYS 100) - live sessions
	6:00 - 7:00 PM	Pediatric Dysphagia	Dr. Jennifer P. (PDYS 100) - live sessions
7:00 - 8:00 PM	Pediatric Dysphagia	Dr. Jennifer P. (PDYS 100) - live sessions	
8:00 - 9:00 PM	Pediatric Dysphagia	Dr. Jennifer P. (PDYS 100) - live sessions	
Tuesday (Jun 1, 2021)	1:00 - 4:00 PM	Pediatric Neurology	Dr. Abdulaziz Alsaman
	4:00 - 5:00 PM	Break	
	5:00 - 6:00 PM	Pediatric Dysphagia	Dr. Jennifer P. (PDYS 100) - live sessions
	6:00 - 7:00 PM	Pediatric Dysphagia	Dr. Jennifer P. (PDYS 100) - live sessions
	7:00 - 8:00 PM	Pediatric Dysphagia	Dr. Jennifer P. (PDYS 100) - live sessions
	8:00 - 9:00 PM	Pediatric Dysphagia	Dr. Jennifer P. (PDYS 100) - live sessions
Wednesday (Jun 2, 2021)	12:00-3:00 PM	Motor Speech Disorders	Dr. Reem Al-yahya (ADYS 100)
		Break	
	4:00 - 5:00 PM	Adult Dysphagia	Dr. James L. Coyle (ADYS 100) - Live session
	5:00 - 6:00 PM	Adult Dysphagia	Dr. James L. Coyle (ADYS 100) - Live session
	6:00 - 7:00 PM	Adult Dysphagia	Dr. James L. Coyle (ADYS 100) - Live session
	7:00 - 8:00 PM	Adult Dysphagia	Dr. James L. Coyle (ADYS 100) - Live session
Thursday (Jun 3, 2021)	8:00 - 12:00 PM	Pediatric Swallowing: 1. Characteristics of Dysphagia in Special Populations: Cerebral Palsy, Traumatic Brain Injury, Autism Spectrum Disorder, Fetal Alcohol Syndrome	Dr. Sameera Dehathem
		2. Aspiration Pneumonia in the Pediatric Population	Dr. Sameera Dehathem
		3. Dysphagia and Long-Term Enteral Feeding In Infancy And Childhood	Dr. Sameera Dehathem
		4. Dysphagia and Medication in the Pediatric Population	Dr. Sameera Dehathem
		5. Ethical Issues in Pediatric Feeding and Swallowing Disorders	Dr. Sameera Dehathem
		6. Interdisciplinary Evaluation of Feeding and Swallowing Disorders in Children	Dr. Sameera Dehathem
		LUNCH BREAK	
	1:00 - 2:00 PM	Pediatric Management	Dr. Jennifer P. (PDYS 100) - Pre-recorded
	2:00 - 3:00 PM	Pediatric Management	Dr. Jennifer P. (PDYS 100) - Pre-recorded
	3:00 - 4:00 PM	Pediatric Management	Dr. Jennifer P. (PDYS 100) - Pre-recorded
4:00 - 5:00 PM	Pediatric Management	Dr. Jennifer P. (PDYS 100) - Pre-recorded
